

SCB.BANK | DELIVERING A BETTER BANKING EXPERIENCE

@susquehannacommunitybank

July 10, 2025

Dear <First Name>,

We're excited to share that Susquehanna Community Bank is joining forces with C&N—Citizens & Northern Bank—to create a stronger, more dynamic community bank for the customers and communities we serve. Initially announced in late April, this merger brings together two community-focused institutions that share a deep commitment to personalized service, strong local relationships and long-term customer and community success.

By combining our strengths, we'll expand our capabilities, offer enhanced products and services and continue delivering the better banking experience you know and trust. With more resources and support, we are positioning ourselves to serve you even better—now and in the future.

While our name will change and our reach will grow, our mission remains unchanged: our customers will always be our top priority. Our leadership team remains in place and we are committed to making this transition as smooth and seamless as possible. You can continue to count on the same people, in the same locations, delivering the same great service.

We're honored to have served you for over 100 years and are grateful for the opportunity to continue doing so as part of C&N. Please visit our website for the latest updates or reach out to your local SCB team with any questions. We're here for you every step of the way and we look forward to a bright future—together.

Sincerely,

Jeffery Hollenbach
