FEDERAL DEPOSIT INSURANCE CORP

December 31, 2013
QUARTERLY REPORT
Dear Shareholder:
Citizens \& Northern Bank completed 2013 with net income of \$18,594,000, a Return on Average Assets (ROAA) of $1.50 \%$ and Return on Average Equity of (ROAE) of $10.25 \%$. While the financial results for the past year are lower than the prior year they remain near the top of our peer group. Fourth quarter 2013 net income of $\$ 4,225,000$ was significantly impacted by establishing an allowance of $\$ 1,552,000$ on loans to one commercial customer. As reported previously, margin compression continues to challenge our industry as have regulatory changes that affect non-interest income. We continue to aggressively control non-interest expense while pursuing opportunities for additional top-line revenue.

The balance sheet continued to remain relatively flat as the low interest rate environment provided few opportunities to expand the balance sheet without taking undue risk. Trust Assets Under Management (TAUM) increased $12.46 \%$ over the past year and the Trust and Financial Management Group revenue grew 4.8\%.

Our stock (CZNC) closed the year at $\$ 20.63$, up $9.15 \%$ over the prior year. Dividends were increased to $\$ 1.00$ per share which represents an increase of $19.05 \%$ over the prior year.

Your Board of Directors, officers and employees continue our mission to deliver superior customer service while enhancing shareholder value. As shareholders, we respectfully request your continued support.

Charles H. Updegraff, Jr.
Chairman, President \& CEO
