Ryan Eck, Brenda Mitchell & Stacy Elliott prepared care packages for our troops

Dear Shareholder:

As you would expect, the ongoing integration of the Monument Bank franchise remained a focus at C&N, following the successful June 24th systems conversion. The transition of Monument customers to C&N's products and systems went very smoothly and our Team worked well to address various challenges following the changeover. As this important effort settles in, we are turning our attention to the regional market plan and fully implementing our sales and relationship model. We are leveraging corporate resources and methodically building in-market capacity to deliver treasury/cash management, mortgage, and wealth management services, as well as enhanced mobile and online capabilities, to current and prospective customers. The additional services and delivery channels will enhance the customer experience and create value as we meet a broader range of needs and deepen relationships. We have been pleased with the collaboration throughout the process and our results to-date.

There is a similar theme with the York loan production office. The Team continues to deliver strong loan growth and is building its impact in the market. They are working hard at implementing a market plan to add relationship bankers and capacity to the region.

It is important to note that the regional Teams in C&N's legacy markets continue to drive results and expand relationships, as well. We broke ground for the new Towanda office on September 25th and expect to open this state-of-the-art facility in the spring of next year. Our focus over the past several years to build a sustainable, value driven business model is maturing, as is the underlying capacity of our marketing Team and related technology. The brand refresh we introduced last quarter has been well-received and will be essentially completed during the fourth quarter.

Net income in the third quarter of 2019, excluding merger related items and securities gains, increased by approximately 2% compared to the third guarter of 2018 while EPS decreased 7%, the difference due to the additional shares issued in the Monument acquisition. Year-to-date, on the same basis, adjusted net income increased 14% and adjusted EPS grew 8%. The drivers include stronger net interest income, increased overall levels of noninterest income, and managed growth in noninterest expenses. The consistent positive trends in these key areas continue to support an increased run rate in core earnings. Looking forward, the economy appears to be solid despite an unsettled political environment. Fed policy and the return to a flat yield curve inside the extended low interest rate environment present an ongoing challenge to sustaining the net interest margin.

Third quarter results were impacted by a loan loss provision \$1.16 million compared to \$60,000 in the third

EMPLOYEE CONNECTION

Brad Scovill, C&N President & CEO (right) with C&N employees who are retiring at the end of the year. From left, Nola Gross (44 years of service), Terry Turner, (19 years of service), Nancy Tubbs (34 years of service) and Sandra Rush (7 years of service).

On October 14, 2019, the C&N family came together at the South Williamsport High School. The theme of the day was 'United in Service,' a nod to this year's cause for Giving Back, Giving Together, as well as our ever-present goal of working together to create value for our customers. The day was spent connecting as a team, learning new things, celebrating each others' successes, building relationships and having fun!

In the morning, the team learned a new technique for quickly developing successful, innovative ideas. Everyone broke up into small teams and created new ways to improve current processes. Team members were engaged and identified opportunities for innovation and improvement that may be implemented at C&N. Going forward, this new methodology can be applied to their daily processes. This new approach will become more standardized throughout the organization over time and provide the entire team with a vehicle to share their ideas.

Over lunch, team members throughout the C&N footprint were given another opportunity to connect with one another. They wrote thank you cards to be distributed to active and retired military servicemembers. Following lunch, C&N honored four employees who will retire this year and shared success stories of teamwork, overcoming hurdles and delivering excellent customer service.

The day concluded with a jam session led by Drum Café[®]. Through the guidance of their instructors, C&N employees demonstrated the value of Teamwork and proved that they can accomplish great things when working together.

The day was highly successful, full of building new and stronger relationships, creating innovative ideas, celebrating successes and having fun!

(President's letter continued)

quarter of 2018, and credits to the provision during the first two quarters of 2019. The higher provision this quarter was primarily due to a specific reserve on one problem loan of \$678,000, combined with an increased provision required to provide for ongoing loan growth.

C&N's capital position enables the Company to pursue growth and expansion and it remains strong following the Monument acquisition. When coupled with our positive earnings, these capital levels support our plans for future growth and continuation of a strong cash dividend. On October 17, 2019, the Board of Directors declared a cash dividend on common stock of \$.27 per share payable on November 8, 2019. This results in an annual dividend of \$1.08 and annualized yield of 4.11% based on C&N's September 30, 2019 closing price of \$26.28.

Thank you to all our loyal shareholders for your continued support and interest in C&N.

Sund Simel

COMMUNITY&COMMITMENT

We are now in the final stretch of our Giving Back, Giving Together campaign for 2019. Before fourth quarter even began, our team passed our goal of raising \$60,000 for local military servicemembers. It's humbling to see the commitment of our team to this cause.

In July, we held our largest fundraising event of the year, the 4th annual C&N Charity Classic golf event. The event was held at the Tyoga Country Club and raised over \$20,000 for local military servicemembers. It would not have been possible without the support of our sponsors, clients, business partners and team members that turned out in full force.

Raising awareness is an important step in supporting any cause. Here are a few of the ways you can join us in support of our local military servicemembers:

- Share & Like C&N's #GivingBackGivingTogether Facebook posts.
 We donate ^{\$1} for every like, share and comment.
- Volunteer with us! Our teams coordinate with their local organizations to be directly involved.
- Visit us December 9 14 for special events, activities and fundraisers.
- Spread the word! Word of mouth is often the most powerful way to generate awareness.
